Who is China Outsourcing Partner (COP)?

COP is a fast-growing, dynamic company headquartered in Santa Clara, California with offices in Canada and China. Our market-leading China outsourcing advisory and implementation services cut the time, costs, and pain of outsourcing IT services for SMB companies. We work with China's top brand names in the media & entertainment, publishing, and Internet service markets to optimize and rationalize their outsourced network management, mobile, BPO, ITO and application development application management. We are expecting exponential growth in next 6 to 18 months. If you are a highly-motivated individual, excited by a start-up atmosphere and the prospect of contributing to a company that strives to change the IT outsourcing landscape, we want to speak to you.

Why work for COP?

Our company strongly emphasizes the need to hire and retain quality people who can help our company continue to grow and thrive. We invest heavily in our employees, and maintaining an environment that encourages employees take responsibility that fuels both the personal and company growth. COP is a vibrant and exciting place to work. We offer the opportunity for flexibility and for opportunities to work around the world.
